## Neo CHO, Expression Medium. w/o Insulin, w/o L-Glutamine, with Pluronic

#Cat: NB-58-0120-500ML      Size: 500ml

#Cat: NB-58-0120-1000ML      Size: 1000ml

### General Information

Neo CHO, Expression Medium allows the cultivation of recombinant Neo CHO cells for fed-batch cultures in spinner flasks or large-scale bioreactors. It can be used for effective cultivation of recombinant CHO cells, achieving high yield of the active protein.

Neo CHO, Expression Medium already leads to increased cell growth and protein yield but when combined with Neo CHO, Expression Feed 1 and Feed 2 the full potential of the Media System can be deployed.

### Product Specifications

<b>Appearance</b>	Clear yellow orange solution
<b>Storage and shelf life</b>	Store at +2°C to +8°C protected from light. Once opened store at 4°C and use within 6-8 weeks.
<b>Shipping conditions.</b>	Ambient

### Formulation

This formulation is our proprietary composition and has no counterparts either in its composition, or in its action.

### Precautions and Disclaimer

This product is for research use and further manufacturing only.

### Help Needed?

If you have any further questions regarding this product, please do not hesitate to contact our cell culture experts by email ([info@neo-biotech.com](mailto:info@neo-biotech.com)) or phone (+33 9 77 40 09 09).
