

Product Description: Control peptide for  
PAC1 antibody, human, C-term.  
PACAP type 1 receptor  
Pituitary adenylate cyclase activating polypeptide type 1  
receptor  
G Protein-coupled receptor  
Polyclonal antibody raised against the carboxy-terminus of the  
human PAC1 receptor.

Product-No.: S9-9027-S-R

Sequence: LSKSSSQIRMSGLPADNLAT

Quantity: 20 µg

Concentration: 2 mg/ml

Storage: -20 °C
